

PID Tuning

There are many different ways to tune a quad to your personal favours. Watch three different views:

[Silverxxx's](#)

[Ian444's](#)

[NotFastEnuf's](#)

PID Samples

[Here](#) you can get (and add) PIDs for different quads and setups. Always good as a starting point

Gesture PID tuning

Silverware supports PID tuning via TX gestures now. These PIDs can be stored to the quad's flash without reflashing the whole firmware. This makes tuning much easier! Read [here](#)
